

MALE FIGURE DRAWING

- 3 hours of guided drawing session with a male model in the nude
- Learning to see body proportions the easy way
- Joining gesture with emotion
- Training your eye, arm and mind
- Tips and tricks from Fine Art Painter Ernesto Heen

This drawing experience with international Fine Artist Ernesto will explore the male body through drawing in a fun and doable way.

Guided practice and handy tips give you a sense of real progression from any level of previous drawing experience. Observing the entire figure while working with a model will quickly result in expressive drawings with your very individual note.

If you ever tell yourself „I am not sure where to start“ or „I'm not confident to draw from life“, then this experience will be the start of a new passion.
